Thomson West : Federal Labor Laws, 2013 ed. before purchasing it in order to gage whether or not it would be worth my time, and all praised Federal Labor Laws, 2013 ed.:

Whether you need the exact statute language or want to research a number of sources, Federal Labor Laws is a useful resource for locating any federal labor law quickly and easily. The title includes the complete text of Title 29 (Labor), United States Code Annotated, and all related important federal labor laws. It includes references to: Code of Federal Regulations; Corpus Juris Secundum; West Key Number System; Selected Supreme Court decisions and Practice forms. The extensive appendix includes the text of some 24 related laws including sections related to: Arbitration; Bankruptcy; The Federal Criminal Code; Veterans' rights; Government contracts; Civil rights; Shipping

personnel and Railroad retirement.
