4 of 4 people found the following review helpful. this is only Volume 3By G. GarciaI guess this falls in the category of "if it's too good to be true..."I went to to purchase the federal sentencing guidelines, and it's only 29 dollars, but when i got it, it's only vol. 3, and the other two volumes don't appear to be for sale on .com.this listing needs to be revised to make it clear that for thirty bucks, you get volume three only.1 of 1 people found the following review helpful. Deceptive inaccurate photoBy Thomas Bruno photo depicts all three volumes. Description is silent as to which

volumes are included. When I ordered I only got volume 3 (the appendix). Don't buy this thinking you will get the actual guidelines. 0 of 0 people found the following review helpful. Extremely Dissatisfied By CTAThis is not the product I ordered. What was pictured was all three volumes of the FSG. I only received the third volume. I would like to send this back and get a refund. I am extremely dissatisfied.
