**From Brand: Ashgate Pub Co : Feminism, Law, and Religion (Gender in Law, Culture, and Society)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Feminism, Law, and Religion (Gender in Law, Culture, and Society):

With contributions from some of the most prominent voices writing on gender, law and religion today, this book

illuminates some of the conflicts at the intersection of feminism, theology and law. It examines a range of themes from the viewpoint of identifiable traditions such as Judaism, Christianity, Islam and Buddhism, from a theoretical and practical perspective. Among the themes discussed are the cross-over between religious and secular values and assumptions in the search for a just jurisprudence for women, the application of theological insights from religious traditions to legal issues at the core of feminist work, feminist legal readings of scriptural texts on women's rights and the place that religious law has assigned to women in ecclesiastic life. Feminists of faith face challenges from many sides: patriarchal remnants in their own tradition, dismissal of their faith commitments by secular feminists and balancing the conflicting loyalties of their lives. The book will be essential reading for legal and religious academics and students working in the area of gender and law or law and religion.

'This valuable book offers powerful new insights into the troubled relations between religion and feminism. The contributors go beyond facile dichotomies to show the paradoxes and complexities of the human condition. Cutting across different religions, the book offers a salutary understanding of how women experience - and often resolve - the tension between faith and feminism. We are on the threshold of a new phase in the politics of religion and gender, both globally and locally.' --Ziba Mir-Hosseini, University of London, UK  
About the Author  
Marie A. Failinger, Hamline University School of Law, was the long-time editor-in-chief of the Journal of Law and Religion. She writes on Lutheran theories of law and religion. Elizabeth R. Schiltz, University of Saint Thomas School of Law, is Co-Director of the Terrence J. Murphy Institute for Catholic Thought, Law and Public Policy and a contributor to the Catholic legal theory blog Mirror of Justice. Her scholarship focuses on banking and consumer law, disability rights, and feminist legal theory, with a particular emphasis on the application of Catholic social theory. Susan Stabile, University of Saint Thomas School of Law, writes on Catholic social thought within church institutions and as applied to corporate and labor theory. She is an Affiliate Senior Fellow of the St. John's University Vincentian Center for Church and Society, a Research Fellow of the New York University School of Law Center for Labor and Employment Law, and a spiritual director.
