Neville W. Cramer : Fixing the INSanity before purchasing it in order to gage whether or not it would be worth my time, and all praised Fixing the INSanity:

Former Immigration and Naturalization Service (INS) special agent Neville Cramer divulges the real causes of America's seemingly uncontrollable immigration problems. He explains the issues, describes common-sense solutions,

and shocks the reader with facts about working in the lunacy of the former INS. From the 9/11 attacks to President George W. Bush's Guest Worker Program, Cramer covers it all . . . and then some.
