**Steven M. Siegfried : Florida Construction Law (Construction Law Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Florida Construction Law (Construction Law Library):

In this practical one-volume desk reference, Florida's leading construction law authority synthesizes all of the relevant

cases and statutes into the most thorough analysis of Florida construction law and Florida construction lien and bond law available today. You'll learn: How to draft contract clauses governing changes, modifications and extras Legal remedies that are available when contractors or owners default The law governing construction liens and bonds And much more! And Florida Construction Law gives you numerous sample lien-related forms that will save you time and effort in your construction law practice. It explains when to use each form, what information to include, and much more. It also contains the full text of the Florida Construction Lien Law.
