**Judge Thomas R. Eineman : Florida Family Law Trial Notebook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Florida Family Law Trial Notebook:

0 of 0 people found the following review helpful. Fantastic Legal ReferenceBy A.J. Grossman IIISince opening my own family law practice in Winter Garden, Florida, we have used the James Publishing Florida Family Law Trial Notebook extensively. We have found that the "Substantive Family Law" section of the book is a fast way to get the information we need on various issues. That section is absolutely full of useful case law decisions relating to specific family law issues and is often a jumping off point for further research.A small percentage of my family law cases actually go to trial, and when I need a resource to help me prepare a case for trial, I turn to this book first.Chapter 7 titled "Witness Questioning and Answering" has been an incredible resource for trial prep. It helped me get up to speed faster than any other resource I had access to.My office law library is relatively small, and this book will continue to have a permanent place on the shelf.I highly recommend this book for any Florida family law practitioner.

When rapid access to family authority is needed, turn to Judge Thomas R. Eineman's Florida Family Law Trial Notebook. This book allows you to quickly find arguments and objections on the eve of trial, in court, or during a recess. You receive: Summary of the law. A quick and easy reference to the law regarding every major substantive issue in marital and family law cases. Florida Family Law Rules of Procedure. A complete, plain English summary of every rule, complete with case annotations. Evidentiary issues highlighted. Separate chapters are devoted to evidentiary issues most commonly encountered in marital law cases, including documentary evidence, trial testimony (proffering testimony, privileges, and objections), witnesses (including expert witnesses), and the rules of hearsay.

Florida Family Law Trial Notebook is the single source for answers to issues arising in family court. Its tabbed pages and unique organization will help you solve the most difficult evidence, procedure, and substantive law questions.
