Stephen Mettling, David Cusic, Ryan Mettling, Jane Somers : Florida Real Estate License Exam Prep: All-in-One Review and Testing To Pass Florida's Pearson Vue Real Estate Exam before purchasing it in order to gage whether or not it would be worth my time, and all praised Florida Real Estate License Exam Prep: All-in-One Review and Testing To Pass Florida's Pearson Vue Real Estate Exam:

6 of 6 people found the following review helpful. A must read before taking the FL Real Estate Exam! By LionessI found this book when I was searching for some additional review materials before scheduling the exam. After reading this review prep book, I realized I that the recap was valuable. I believe without this additional Exam Prep I was not

prepared for the exam. This text definitely brought all the points, important rules and formulas a candidate needs to know. The authors are spot on. FYI I completed the FL Real Estate Associate Pre-License course online via real estate express. I found 2 errors. There are two question #10.26sPage 134; question # 10.26 appears twicePage 214: answer # 10.26 appears twice7 of 7 people found the following review helpful. Extremely good review book and I have yet to come across ...By CustomerThis book is very sufficient for self-studying and is extremely comprehensive covering topics that involve real estate. Extremely good review book and I have yet to come across a question on a practice test, or on the actual exam, that has not been covered in some way in the book. This book is also succinct and straightforward where the topics do not seem to drone on unnecessarily. Particularly useful because it synthesizes a large amount of information over different fields within a minimal number of pages. It is a great study tool for any aspiring real estate agent or broker. Highly suggest it!!2 of 2 people found the following review helpful. just the basic outline but it is a good study aid as far as the test questions goBy Alicia H.The practice tests really helped. I passed the real deal on the first try! This book does not have a lot of material in it, just the basic outline but it is a good study aid as far as the test questions go.

Features of Florida Real Estate License Exam Prep (FL-RELEP): Florida Practices Law Key Point Review in the same 19 sections as the FREC 1 prelicense course (70 pages) Real Estate Math Key Formula Review Practice (20 pages) 16 Practice Tests covering Florida and National Content (575 questions with explanations) Florida License Exam Simulation (100 questions with explanations) We know the real estate licensing exam can be tough, and very nerve-racking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works or fails to work. First, FL-RELEP is comprehensive. It contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of key point reviews ideal for pre-test memorization. In addition, we recently re-organized and expanded the FL-RELEP content and tests to precisely follow the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, the material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEPs national key point reviews are a succinct compression of tested national principles and practices drawn from our own national textbook, Principles of Real Estate Practice one of the most widely used principles textbooks in the country. Finally, our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida. As such, the breadth and depth of the law reviews and test questions reflect the topic emphasis of Floridas license exam. A word about the tests. The FL-RELEPs test questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each questions answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, its all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Florida exam. So good luck!!

About the AuthorFor over forty years, Stephen Mettling and David Cusic, PhD, have operated Performance Programs Company, one of the nation's most successful custom training organizations specializing in real estate program development. Mr. Mettling and Dr. Cusic have jointly written over 100 books, courses, and custom programs in all facets of real estate for some of the countrys largest organizations including the National Association of Realtors and its many Institutes. Mr. Mettling has also served as vice president and author for the countrys largest real estate training and publishing organization. Under various capacities, he has managed the acquisition, development, and sale of national real estate textbooks and publications, as well as directed the country's largest affiliated group of real estate schools. Dr. Cusic, an author and educator with international real estate training experience, has been engaged in vocation-oriented education since 1966. Specializing in real estate training since 1983, he has developed numerous real estate training programs for corporate and institutional clients around the country. Ryan Mettling, partner and currently publisher of Performance Programs, is an accomplished online curriculum designer, author and course developer. Mr. Mettling graduated Valedictorian from the University of Central Floridas College of Business Administration. Jane Somers has been a writer and educator for more than 30 years. She has directed the academic programs for a multi-campus college and has in recent years become an accomplished developer of online and classroom real estate curricula for a national real estate licensing organization, specializing in state licensing laws. Ms. Somers is also active in condominium association management and has served as president of a condominium owners association for ten years.
