**Rebecca A. Taylor : Foreclosure Defense: A Practical Litigation Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Foreclosure Defense: A Practical Litigation Guide:

3 of 3 people found the following review helpful. Like the title states, it is a great practical guide.By Scott HarrisThis provides a great base to learn the basic of defending foreclosure cases. I used this book a starting point to build a portion of my law practice in this area. Now, it is required reading for all of my staff and any new interns that we bring

on. This forms included on the CD are also a great place to begin when building your practice.0 of 0 people found the following review helpful. It was an okay book but i think it was ...By Carla OchoaIt was an okay book but i think it was short of delivering what it promised, especially for the price. There were chapters dedicated to things such as how to be polite to your clients or such reduntant things that anyone in this profession aready knows.

The United States is in the midst of an unprecedented foreclosure epidemic, and there are things that lawyers must do for homeowners that they cannot do themselves to help save their homes. Foreclosure Defense will assist you in navigating alternative dispute resolutions to hopefully avert a foreclosure action from even being filed against your client; but if an action is filed, the book offers many possible litigation strategies and defenses.
