the following review helpful. but a great reference for the legal aspects of government contract formationBy Jonathan D LipscombExpensive, but a great reference for the legal aspects of government contract formation.

The book is focused entirely on the formation of a contract and#8211; from the earliest planning until contract award. For our purposes, the award of a contract begins the process of contract administration, a separate process. As with previous editions, the goal is to make the reader aware of the statutes, regulations and decisions that establish the complex rule structure that is followed in the process of entering into government contracts.
