H. Rutherford Turnbull, Ann P. Turnbull, Matt Stowe, Nancy Huerta : Free Appropriate Public Education: The Law and Children With Disabilities before purchasing it in order to gage whether or not it would be worth my time, and all praised Free Appropriate Public Education: The Law and Children With Disabilities:

0 of 0 people found the following review helpful. Dry read... not very helpful for the ...By nurse Maggie Dry read...not very helpful for the special ed class I was taking and way, way, way too expensive! 0 of 0 people found the following review helpful. Understanding Special Education laws By N.T. This book is very informative and helpful. It is a great guide for understanding special education laws. I would recommend this book to others. 0 of 0 people found the following review helpful. Good overview of IDEA By Jessica M This book gives a great overview of IDEA and even answers those "what if's" along the way with evidence from the law. Very useful for university classes as well as

educators.

Now, a total revision of the classic book dealing with the law governing the education of children with disabilities is ready for educators. It includes the 2004 IDEA reauthorization and the proposed regulations. This up-to-the-minute resource brings you the most recent developments in legislation, case law techniques, due process, parent participation and much, much more. The text is completely updated and contains all the substantial amendments made by the latest reauthorization of IDEA. It includes a glossary and other resources to bring the best possible information to students and professionals. This book is essential reading for any course dealing with school law or school administration. All school principals and special education teachers should have this new resource on their desk.
