Honour of John Balfour:

This volume brings together a fascinating collection of essays on air law, approached from national, European and international perspectives. These perspectives often interact, always interestingly, but not necessarily harmoniously, a theme which forms a Leitmotiv in the writings, reports and pleadings of John Balfour, to whom the volume is dedicated. Written by a diverse group of experts in the field of air law, the collection is divided into three parts: Public Air Law, EU Air Law and Private Air Law.
