Louis Loss, Joel Seligman : Fundamentals of Securities Regulation, 5th Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fundamentals of Securities Regulation, 5th Edition:

0 of 4 people found the following review helpful. reliable seller By W. Rui The seller is great-- originally, I did not notice the book is "supplemental" but thought it was main text which I intended to buy. However, the seller was so kind to remind me of the possible misunderstanding on the book's content before he arranged delivery. After I

confirmed I no longer needed it, he refunded my money quickly. I really appreciate his help and kindness.
