My old one was "borrowed" and I am glad that I can replace it with a book that is in the advertised good condition or better.0 of 0 people found the following review helpful. Five StarsBy veronica garcia de noyGreat book0 of 0 people found the following review helpful. This was recommended by a great lawyer, it never leaves his side.By SimoneI gave this as a gift, worked out great! The person really appreciated it, and found it very helpful for litigation.

Trial Techniques is wonderful guide to trial preparation. Professor Mauet provides information in an easy to use format. Great writing from a wonderful lecturer. If you are a student of law, this book is for you.
