This is not a wordy complex book for lawyers. It is more like a simple step by step guide to file your claim. The book just shows you how to a file a claim to get back your money. I also learned about how to ask for three times the lost amount. I will still use a lawyer, but now I know how it is done. I also now understand the tricks the brokerage firms and banks use to make me think it was my own

fault. [[ASIN:1883527236 Get Back All Your Lost Investments!]
