M J Bjarnason, Martin Bjarnason : Getting into Canada: 2nd edition (Living and Working Abroad) before purchasing it in order to gage whether or not it would be worth my time, and all praised Getting into Canada: 2nd edition (Living and Working Abroad):

"Getting to Canada" is a guide aimed at prospective immigrants applying for permanent residence in Canada. It aims to provide step-by-step advice on presenting and processing applications. Examples of forms and documentation are included.
