Bruce Green : Government Ethics Reform for the 1990's: The Collected Reports of the New York State Commission on Government Integrity before purchasing it in order to gage whether or not it would be worth my time, and all praised Government Ethics Reform for the 1990's: The Collected Reports of the New York State

Commission on Government Integrity:

Governor Mario Cuomo formed the New York State Commission on Government Integrity in 1987. Acting under an extraordinary mandate, the Commission of seven private citizens pursued a wide-ranging agenda of subjects from campaign financing and judicial selection to ethics training and whistleblowing protection. In many publicized hearings, it exposed abuses and legal loopholes in the system and documented the need for a major overhaul of state laws, regulations, and procedures.

About the Author Bruce Green is Associate Professor at the School of Law, Fordham University.
