**From Brand: ABC-CLIO : Great American Lawyers: An Encyclopedia: Great American Lawyers [2 volumes]: An Encyclopedia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Great American Lawyers: An Encyclopedia: Great American Lawyers [2 volumes]: An Encyclopedia:

3 of 3 people found the following review helpful. Disappointed to say the least. Errors and omissions are inexcusableBy D. BoyceHighly disappointed with this book. I wanted this book as a reference for a lawyer named

Hayden Covington. The person who wrote this did a very poor job. He did not acknowledge the huge significance of H.C.'s Supreme Court victories. Did not even mention that Covington has the most Supreme Court victories since the court went to 9 justices in the late 1800's. He did not even hint at the importance of the many Supreme Court victories on civil liberties, freedom of speech and religion. The author basically concluded anybody could have done what H.C. did given the same court cases. And to top it off, the writer was factually incorrect in one instance and also wrongly extrapolated a comment supposedly made by H.C. My review is based only on the information about 1 lawyer H. Covington. After reading this part, the book lost credibility and I returned the volumes for a refund. 1 of 1 people found the following review helpful. Well done. As a young lawyer, the profiles ...By Sol Vega Well done. As a young lawyer, the profiles in this book are inspiring and show the importance of the role of lawyers in society.

This two volume set offers unmatched insight into the lives and careers of 100 of America's most notable defense and prosecuting attorneys. Full essays on the lives and cases of America's 100 most famous lawyers, from John Adams to Johnnie Cochran Shorter essays on other well-known attorneys, including John Grisham, Barry Scheck, and Leslie Abramson Contributions from more than 50 lawyers, political scientists, historians, and other scholars Entries on famous law partners, Alexis de Tocqueville's view of American lawyers, great trials, and much more
