FlintThis is a must-read for anyone interested in the history Latinos in the U.S. It is a thoughtful and compassionate look at the realities of hard-working yet marginalized migrant farm workers. I will be looking for Dr. Flores' next book.0 of 0 people found the following review helpful. Five StarsBy CustomerLove the book, it's a keeper.0 of 0 people found the following review helpful. attempt at organizationBy Bartok KinskiLabor Unionism in American agricultural has been destroyed by the corporate farm interests and the state governments. This book chronicles Mexican Americans in their attempt at organization.

Known as The Salad Bowl of the World, Californias Salinas Valley became an agricultural empire due to the toil of diverse farmworkers, including Latinos. A sweeping critical history of how Mexican Americans and Mexican immigrants organized for their rights in the decades leading up to the seminal strikes led by Cesar Chavez, this important work also looks closely at how different groups of MexicansU.S. born, bracero, and undocumentedconfronted and interacted with one another during this period. An incisive study of labor, migration, race, gender, citizenship, and class, Lori Floress first book offers crucial insights for todays ever-growing U.S. Latino demographic, the farmworker rights movement, and future immigration policy.

Won an Honorable Mention from the Western Association of Women Historians', Gita Chaudhuri Book Award.
