Ibp, Inc : Haiti Labor Laws and Regulations Handbook - Strategic Information and Basic Laws before purchasing it in order to gauge whether or not it would be worth my time, and all praised Haiti Labor Laws and Regulations Handbook - Strategic Information and Basic Laws:

0 of 0 people found the following review helpful. Recommended, though expensive. By Oneungido It always hard to know what is what or how-where in Haiti, current Gov is trying to organize but this book would really help you if you're doing business in Haiti. Highly recommended, though expensive.
