West Law School : High Court Case Summaries on Civil Procedure, Keyed to Friedenthal, 10th before purchasing it in order to gage whether or not it would be worth my time, and all praised High Court Case Summaries on Civil Procedure, Keyed to Friedenthal, 10th:

0 of 0 people found the following review helpful. Great Study AidBy Nairb123321Civ Pro is really dry and some of the cases are 10+ pages long. This book does a nice job at summarizing the case and giving the issue, rule, facts, conclusion etc...It isn't a replacement for your casebook, but it is a good supplement, or good when you didn't have time to read the entire case.Highly recommended especially if you have the 10th ed of Friedenthal

This title contains briefs for each major case in Friedenthal's casebook on Civil Procedure. The briefs will help readers

identify, understand, and absorb the core knowledge points from each case. They are followed by legal analysis, providing contextual background about each case, and connecting the case to the broader concepts developed throughout the book. This title also supplies case vocabulary, with definitions of new or unusual legal words found throughout the cases. Finally, to enhance the reader's recall, there is a corresponding memory graphic for each brief that portrays a visual representation of the relevant facts or law of the case.
