I would recommend this book for everyone who has read or learning of the Holocaust. Having read other accounts of what happened, while on vacation in Eastern Europe, including Poland, went to see Auschwitz in 2000. It was a hard place to see as knowing what happened there. Really made me think, how anyone survived from there. In his book, Mr. Jacobs pretty much expressed he goal to survive, which myself am grateful He did to tell his

story to go on in a positive way of life. While I was there in the camp, did say a prayer for all those who were murdered in the Holocaust. I have a Jewish Friend Who actually lives in FT. Worth has met him during one of His talks. I mentioned after I had read the book, He said Mr. Jacobs is like his book describes him, A Wonderful Person. Lastly if ever did get the honor of meeting Him, Would gladly Shake His Hand say Shalom, My Friend! 0 of 0 people found the following review helpful. A truly remarkable man By Physics Professor Anyone who can experience what he went through without feeling bitterness towards ALL Germans must be some kind of saint. 0 of 0 people found the following review helpful. It can happen here By Ronald D. Thompson I met this man many years ago, his message is compelling and important.
