Dan Reith BA(Hons) CAIB : Home Insurance Simplified: The Facts you Need to Buy the Right Policy before purchasing it in order to gauge whether or not it would be worth my time, and all praised Home Insurance Simplified: The Facts you Need to Buy the Right Policy:

For many homeowners, the idea of purchasing a home insurance policy can simply feel like another added expense. But a house is much more than mere building materials; it is where we turn when we seek warmth, security, and timeless memories. Investment in a home insurance policy is an investment in yourself, in your family, and in your future. If you've ever felt uncertain about it due to the added financial costs, this new guide helps uncover the importance of protecting your largest asset while unraveling the complex nature of home insurance. Home Insurance Simplified provides you with easy-to-use tips regarding insurance, helping you understand how to select the best home insurance policy based on your needs, not the lowest price; why you should take the time to understand your home insurance policy; and how to find a qualified insurance broker or provider who has your best interest in mind. This is a must-read for anyone interested in learning a little more about being a smart homeowner. Written by an insurance broker with over twenty years of experience, Home Insurance Simplified will make sure your home and family are protected.

About the Author Dan Reith is an insurance broker and a fourth generation co-owner of Reith Associates. Reith graduated from Western University with an honours degree in political science and philosophy. Reith holds a professional designation of Canadian Accredited Insurance Broker and a Certificate in Risk Management from the Insurance Institute of America. Reith is a volunteer host of In the Know, a political and business affairs talk show.
