William H. Hoffman, William A. Raabe, James E. Smith, David M. Maloney : South-Western Federal Taxation 2013: Corporations, Partnerships, Estates and Trusts, Professional Version (with HR Block @ Home CD-ROM) before purchasing it in order to gage whether or not it would be worth my time, and all praised South-Western Federal Taxation 2013: Corporations, Partnerships, Estates and Trusts, Professional Version (with HR Block @ Home CD-ROM):

1 of 1 people found the following review helpful. No software included.By AnonIf you need to use the HR Block software for your class, do not purchase this book. Even though it explicitly states under the description that it comes

with an unused copy of the software, mine never came. Apparently, on some other page, it states that CD's aren't guaranteed, so all you will get is a refund that may take up to two weeks to be processed and a judgmental look from your professor when you show up to class unprepared. Waste of time and money. 0 of 0 people found the following review helpful. very happy with this book By sara For some reason. All the books that I bought from are in great shape even they are used. This one is one of them. It came in time, very new. Even it's \$200 book but still better price than the school bookstore. What else I can say, i LIKE it !0 of 0 people found the following review helpful. As Claimed By Customer Timely received. Condition of text was as indicated. No CD included but none promised when advertised.

Clearly introduce even the most complex tax concepts and today's ever-changing tax legislation with **SOUTH-WESTERN FEDERAL TAXATION 2013: CORPORATIONS, PARTNERSHIPS, ESTATES TRUSTS, 36E**. Renowned for its understandable, time-tested presentation, this book remains the most effective solution for helping students thoroughly grasp information critical to the tax preparer, such as C corporations, flow-through entities, and taxes on financial statements, with even more in this edition on tax planning. This 2013 edition reflects the latest tax legislation at publication with online updates that keep your course current by highlighting relevant tax law changes as they take effect. This edition incorporates more specific learning outcomes with Bloom's Taxonomy added to the outcomes assessment criteria. New and proven learning features, such as additional "Big Picture" examples, memorable tax scenarios, and "What If?" case variations, help clarify concepts while sharpening students' critical-thinking, writing skills, and online research skills. In addition to comprehensive instructor support, each new book offers leading professional software, HR Block At Home.
