Sociacion Espanola De Profesores De Derecho Internacional Y Relaciones Internacionales Staff : Spanish Yearbook of International Law, 1995-1996 before purchasing it in order to gage whether or not it would be worth my time, and all praised Spanish Yearbook of International Law, 1995-1996:

The "Spanish Yearbook of International Law" brings together information concerning Spanish legal practice and a bibliography over the period of one year and makes it available to an international readership. It serves as a vehicle for furthering knowledge of Spanish practice in the field of international law among an audience with no knowledge of Spanish. It deals with both private and public international law, taken in a broad sense to include summary treatment of international organizations of which Spain is a member.
