Martin Weimann : Spruchverfahren Nach Squeeze-out (German Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spruchverfahren Nach Squeeze-out (German Edition):

This handbook offers the most comprehensive analysis by far of corporate judicial review procedures. Up to 75 data points were collected for each of over 400 squeeze outs and the ensuing judicial review procedures (as of the end of 2013) from the German Protection Agency for Consumers (VzfK) to create an incomparable resource base of data and

facts that will be of enormous value to practitioners in judicial review procedures.
