Lawyers on Facilitating Successful Deals and Contracts That Meet Client Needs (Inside the Minds):

Structuring Commercial Real Estate Transactions provides an authoritative, insider's perspective on best practices for navigating the real estate transaction process. Featuring experienced real estate attorneys from around the country, this book reveals practical and proven strategies for breaking down complex contracts and offering clients cost-effective solutions. From planning a project and evaluating financing options to compiling a thorough checklist and handling negotiations, these top lawyers give tips on counseling clients before, during, and after the transaction. Additionally, these leaders analyze how recent trends and the volatile economic situation are impacting real estate transactions and the practice area as a whole. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this intricate field. Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. Shari B.
