Great work!By Steve BagnaschiI read this book twice (not the appendix though, which is the support for the text), it incorporates tax law and practice, GAAP, and SEC issues with Venture Capital and similar transactions. It explains how to start a fund, how to structure deals, and how to exit the investment as well as familiarize the reader with the VC industry. Very detailed book and easy reading.4 of 7 people found the following

review helpful. Why is it always about tax? By 2A Lawyer I use the Aspen books as reference quite a bit (I'm a corporate lawyer and deal with MA and startups) but I've never been comfortable with how much tax subject matter there is in these books. When it comes to tax issues, I always defer to the tax lawyers, so my need for reference is about non-tax issues. Unfortunately, I think that the bulk of the substance of these treatises is about tax and thus not really helpful for me.

Now, you can minimize your clients' tax liability and avoid legal pitfalls, as well as maximize returns on successful transactions and be prepared for all of the potential benefits, with *Structuring Venture Capital, Private Equity and Entrepreneurial Transactions*, 2015 Edition. Here at last is one-step-at-a-time, start-to-finish structural guidance for the following common business transactions: Venture capital financing New business start-ups Brains-and-money deals Growth-equity investments Leveraged and management buyouts Industry consolidations Troubled company workouts and reorganizations Going public Selling a business Forming a private equity fund Jack S. Levin and Donald E. Rocap's dynamic, transaction-by-transaction approach, you'll make the tax, legal, and economic structuring consequences of every deal benefit your client every time. In this extraordinary hands-on resource by the most sought-after authorities in the field, you'll see exactly how to: Distribute the tax burden in your client's favor Maximize returns on successful transactions Control future rights to exit a profitable investment And turn every transaction into a winning venture!
