Ilona M. Bray, Richard A. Boswell : Student and Tourist Visas : How to Come to the U.S. before purchasing it in order to gage whether or not it would be worth my time, and all praised Student and Tourist Visas : How to Come to the U.S.:

0 of 0 people found the following review helpful. Overall happyBy bungalow bill This edition is a little out of date-my fault not the sellers0 of 0 people found the following review helpful. Nolo Press is the best, as usualBy None_None Nolo Press is the best, as usual. Nobody does self-help like Nolo. I purchased this book as a gift for a friend. He was able to get a visa within a year. I think that's a success, especially since the current climate in the US is not very friendly for immigration in general. This is a great resource, and very clearly written. Useful!0 of 0 people found the following review helpful. Four StarsBy Juan Bertrn this book helped me with the basics.

Student Tourist Visas provides everything you need to apply for and gain admission into the United States, covering

the application process whether you want to enter the U.S. or are already here legally. This book also helps you make your way through the bureaucracy, prepare for meetings with INS and border officials, bring family members with you, switch from tourist to student visa status, transfer to a different school, carry out practical training after graduation, remain a good candidate for U.S. visas and deal with emergencies. Student Tourist Visas also helps you determine whether or not you will qualify for a visa, handle your visa interview, deal with delays, figure out if you need a lawyer and more. All the forms and checklists you need are included as tear-outs.

An excellent resource for students and school administrators alike.... offers a straightforward, step-by-step approach to student and tourist visas that makes it indispensable. (Jose Pertierra 2009-01-01)Will fill a real void in these two areas, which are so common, but about which so little is written. (Dale M. Schwartz American Immigration Lawyers Association 2009-01-01)About the AuthorBray is an author and legal editor at Nolo, specializing in real estate, immigration law, and nonprofit fundraising. She is co-author of Nolo's Essential Guide to Buying Your First Home and also edits a number of Nolo's small business books. Bray's working background includes solo practice, nonprofit, and corporate stints, as well as long periods of volunteering, including an internship at Amnesty International's main legal office in London. She received her law degree and a Masters degree in East Asian (Chinese) Studies from the University of Washington.Richard Boswell a professor of law at the University of California, Hastings College of Law, where he is also Director of the Center for International Justice and Human Rights. Prior to joining the UC faculty, Boswell taught law at George Washington University and Notre Dame. Boswell has been involved in immigration law for more than 20 years.
