Austin Sarat : Studies in Law, Politics, and Society before purchasing it in order to gage whether or not it would be worth my time, and all praised Studies in Law, Politics, and Society:

This volume of Studies in Law, Politics, and Society contains an international and interdisciplinary array of legal scholarship. Presenting diverse theoretical perspectives and methodological approaches, this work illuminates the law

s response to its social context as well as the way law shapes that context. It shows how legal scholars contribute to public debate about contemporary issues as well as how they articulate the nature of rights and the limits of law.
