William H. Hoffman, David M. Maloney, William A. Raabe, James C. Young : Study Guide for Hoffman/Maloney/Raabe/Youngs South-Western Federal Taxation 2013: Comprehensive, 36th before purchasing it in order to gauge whether or not it would be worth my time, and all praised Study Guide for Hoffman/Maloney/Raabe/Youngs South-Western Federal Taxation 2013: Comprehensive, 36th:

1 of 1 people found the following review helpful. Brief with enough details By A. Beck The True False Multiple choice questions have explanations for the answer. This is a better investment than the expensive and wordy text. Worth the investment because it saves me time and reinforces my learning. Fun to write all over the pages. 1 of 1 people found

the following review helpful. an A study guideBy Imanethis study guide is great as it summarizes the book and give just the key point u need to know and the big + is that there are a lot of true/false and multiple choice problem followed on each chapter which prepare for exams.1 of 1 people found the following review helpful. Like itBy TraciHave only reviewed one chapter with this study guide but I really appreciate the self tests and stuff. Its really helpful

Give your students the additional tools and resources to master federal tax concepts and succeed in class with this edition's comprehensive Study Guide. Students find additional practice problems, review opportunities, and learning assistance to expand on class concepts and refine their skills. About the AuthorDr. William H. Hoffman, Jr., earned his B.A. and J.D. degrees from the University of Michigan and M.B.A. and Ph.D. degrees from The University of Texas. He is a licensed CPA and attorney in Texas. Recognized for his teaching excellence, Dr. Hoffman's academic experience includes The University of Texas (1957?1961), Louisiana State University (1961?1967), and the University of Houston (1967?1999). A frequently requested professional speaker, Dr. Hoffman has addressed many tax institutes and conferences and has published extensively in academic and professional journals. His articles appear in The Journal of Taxation, The Tax Adviser, Taxes - The Tax Magazine, The Journal of Accountancy, The Accounting , and Taxation for Accountants.David M. Maloney, Ph.D., CPA, is the Carman G. Blough Professor of Accounting Emeritus at the University of Virginia's McIntire School of Commerce. He completed his undergraduate work at the University of Richmond and his graduate work at the University of Illinois at Urbana-Champaign. Upon joining the Virginia faculty in January 1984, Dr. Maloney taught federal taxation in the graduate and undergraduate programs and was a recipient of major research grants from the Ernst Young and KPMG Foundations. Dr. Maloney has published work in numerous professional journals, including Journal of Taxation, The Tax Adviser, Tax Notes, Corporate Taxation, Accounting Horizons, Journal of Taxation of Investments, and Journal of Accountancy.William A. Raabe, Ph.D., CPA, was the Wisconsin Distinguished Professor of Taxation. He taught at Ohio State, Arizona State, the Capital University (OH) Law School, and the Universities of Wisconsin--Milwaukee and Whitewater. Dr. Raabe also writes the PricewaterhouseCoopers Tax Case Studies. He has written extensively about book-tax differences in financial reporting. Dr. Raabe has been a visiting tax faculty member for a number of public accounting firms, bar associations, and CPA societies. He has received numerous teaching awards, including the Accounting Educator of the Year award from the Wisconsin Institute of CPAs. He has been the faculty adviser for student teams in the Deloitte Tax Case Competition (national finalists at three different schools) and the PricewaterhouseCoopers Extreme Tax policy competition (national finalist). For more information about Dr. Raabe, visit BillRaabeTax.com and BillRaabeTax on YouTube and Twitter.Dr. James C. Young is the Crowe Horwath Professor of Accountancy at Northern Illinois University. A graduate of Ferris State University (B.S.) and Michigan State University (M.B.A. and Ph.D.), Dr. Young's research focuses on taxpayer responses to the income tax using archival data. His dissertation received the PricewaterhouseCoopers/American Taxation Association Dissertation Award and his subsequent research has received funding from a number of organizations, including the Ernst Young Foundation Tax Research Grant Program. His work has been published in a variety of academic and professional journals, including the National Tax Journal, The Journal of the American Taxation Association, and Tax Notes. Dr. Young is a Northern Illinois University Presidential Teaching Professor. A respected educator, he has received the Illinois CPA Society Distinguished Accounting Educator Award in 2012 as well as outstanding teaching awards from George Mason University and Michigan State University.
