William Hoffman, James E. Smith : Study Guide for Hoffman/Smiths South-Western Federal Taxation 2013: Individual Income Taxes, 36th before purchasing it in order to gauge whether or not it would be worth my time, and all praised Study Guide for Hoffman/Smiths South-Western Federal Taxation 2013: Individual Income Taxes, 36th:

1 of 1 people found the following review helpful. Only the first 20 chaptersBy tstarThe description does not specify what chapters are included in the studyguide. I rented it thinking that is was the entire book (chapters 1-28) but it is only the first 20. I just purchased the comprehensive volume studyguide (chapters aren't listed on that item description either!) so hopefully that is right. If you are only taking Tax 1 this studyguide will be fine, but I'm Tax 2 so I need the

last chapters. Luckily lets you return rentals for 30 days.1 of 1 people found the following review helpful. there is a short summary so that you at least have a good idea of the chapter highlightsBy AliThis is very helpful if you are studying for a Taxation class. It has lots of sample problems and questions. Plus, if you get pressed for time and cannot also read the entire chapters, this will be a total lifesaver. For each chapter, there is a short summary so that you at least have a good idea of the chapter highlights.0 of 0 people found the following review helpful. YesBy sonhita sarkarThe book is very helpful if you try to understand the the I R Code in question answer form. The summary on the front of each chapter helped to understand as a whole, that is not possible with original text book.

Give your students the additional tools and resources to master individual income tax concepts and succeed in class with this edition's helpful Study Guide. Students find additional practice problems, review opportunities, and learning assistance to expand on class concepts and refine their skills. Contains Chapter Highlights and Tests for Self-Evaluation with explanatory answers and page references.

About the AuthorDr. William H. Hoffman, Jr., earned B.A. and J.D. degrees from the University of Michigan and M.B.A. and Ph.D. degrees from The University of Texas. He is a licensed CPA and attorney in Texas. His teaching experience includes The University of Texas (1957-1961), Louisiana State University (1961-1967), and the University of Houston (1967-1999). Dr. Hoffman has addressed many tax institutes and conferences and has published extensively in academic and professional journals. His articles appear in The Journal of Taxation, The Tax Adviser, Taxes--The Tax Magazine, The Journal of Accountancy, The Accounting , and Taxation for Accountants.Dr. James E. Smith is the John S. Quinn Professor of Accounting at the College of William and Mary. He has been a member of the accounting faculty for more than 30 years. He received his Ph.D. from the University of Arizona. Dr. Smith has served as a discussion leader for Continuing Professional Education programs for the American Institute of Certified Public Accountants (AICPA), Federal Tax Workshops, and various state CPA societies. He has conducted programs in more than 40 states for approximately 25,000 CPAs. Dr. Smith has received the AICPA's Outstanding Discussion Leader Award and the American Taxation Association/Arthur Andersen Teaching Innovation Award. Other awards include the Virginia Society of CPAs' Outstanding Accounting Educator Award and the James Madison University's Outstanding Accounting Educator Award. He was the president of the Administrators of Accounting Programs Group (AAPG) in 1991-1992. Dr. Smith also served as faculty adviser for the William and Mary teams that received first place in the Andersen Tax Challenge for five years and placed first in the Deloitte Tax Case Study Competition for five years.
