Quizzes are similar to what my teacher assigns in class. Would recommend for people who are not into law...like myself.... but have to take it.0 of 0 people found the following review helpful. Great Study GuideBy Tawny KeyI spent 6 hours outlining the first chapter of the text and realized I don't have the time to do that. This book has a great outline and I love the test questions and answers. I come to class about an hour early and review the material in the outline, take the tests and it really just helps me conceptualize the material instead of just memorizing a bunch of definitions. If you read the text, this acts as a great supplement!

Study more effectively and improve your performance at exam time with this comprehensive guide. Written to work hand-in hand with BUSINESS LAW, 12th Edition, this user-friendly guide includes a wide variety of learning tools to help you master the key concepts of the course.
