**Gerry Beyer : Sum Substance Audio on Wills Succession, Third Edition (Sum Substance)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sum Substance Audio on Wills Succession, Third Edition (Sum Substance):

0 of 0 people found the following review helpful. The delivery isn't fantastic, but it is concise and surprisingly complete. By Kenan I used these disks as a review for my Wills class. Prof. Beyer crams a lot of information in a short period of time, which is exactly what I needed for my final exam. The delivery isn't fantastic, but it is concise and surprisingly complete. 2 of 2 people found the following review helpful. Gotta have it. By P. Ross The lecturer is boring, but the information is good, and you've got to learn it anyway.

This audio lecture overviews intestate succession, along with estate and gift taxes. Coverage of wills includes introduction, execution, revocation, interpretation and construction, drafting, survival, and contests. Explores estate administration and probate avoidance, as well as disability planning, death planning, and estate planning (putting it all together). It also offers examination advice.
