4 of 4 people found the following review helpful. Another Wonderful SummaryBy K.S. PuckettAs usual, a quick and

easy breezy read-through summary. You go from Warren's childhood to within the last couple of years since she was elected U.S. Senator from the state of Massachusetts, and get fascinating insights into what went on behind the scenes in Washington from the deregulation of the 1990s through the mortgage crisis and creation of the CFPB in the late 2000s. If you aren't already convinced by the time this one's winding down, then the Reader's Perspective section at the end gives a clear and concise synopsis that'll make you want to pick up and give *A Fighting Chance* a chance. 5 of 5 people found the following review helpful. Well written summary...By Mary Jay Warren focuses more on advancing ideas rather than peeling the onion too deeply on individual human beings. It shows why she has chosen to fight tooth and nail for the middle class and why she has become a hero to all those who believe that America's government can and must do better for working families. Well written summary and I would purchase the book too. 6 of 6 people found the following review helpful. Good summary..By T. Neal I am so impressed with Elizabeth Warren's fortitude and concern for all struggling families. Her stories show how close many of us are to financial collapse and how so many of our congressional leaders do not have our interests at the forefront of their objectives

PLEASE NOTE: This is a summary of the book and NOT the original book. *A Fighting Chance: A 30-minute Summary of Elizabeth Warren's Memoir Inside this Instaread Summary: Overview of the entire book* Introduction to the Important people in the book Summary and analysis of all the chapters in the book Key Takeaways of the book A Reader's Perspective Preview of this summary: Chapter 1 Warren grew up in a small house in Norman, Oklahoma. Her father was a carpet salesman, but suffered a heart attack when Warren was in her early teens that left him unable to work for a time and caused him to lose his lucrative job. In high school, Warren was told the family did not have enough money to send her to college. Warren won several debate scholarships and was accepted to George Washington University. Two years later she married Jim Warren. Immediately after they married, Warren and her new husband moved to Houston where he was employed by IBM. Warren enrolled at the University of Houston (UH). Shortly after she graduated, Jim was transferred to New Jersey. Warren got a job as a speech therapist for special-needs children. When she became pregnant, she lost the job. Happy as she was with her daughter, Amelia, she realized she wanted more. She decided to return to school. She applied to Rutgers Law School. Shortly before graduation, she became pregnant again, making it nearly impossible for her to get a job in a male oriented profession. A few months later, Jim had the choice of transferring to several different cities. Due to the fact that she liked teaching law, Warren began to look for possible jobs in those cities. One of her choices was Houston. Warren called UH. She was offered a full-time teaching job at the UH Law Center. Warren struggled as a working mother. When pushed to a breaking point, she called her aunt. Bee moved in with them to take care of the children. However, Warren's husband grew disillusioned with their marriage because he had wanted a traditional wife. They soon divorced. Warren met her second husband, Bruce Mann, while taking an economics seminar for law professors. Not long after their marriage...
