**Ida Russakoff Hoos : Systems Analysis in Public Policy: A Critique** before purchasing it in order to gage whether or not it would be worth my time, and all praised Systems Analysis in Public Policy: A Critique:

1 of 1 people found the following review helpful. Ida Hoos takes no prisoners...the best read on systems analysisBy veli"A concept {systems analysis} so generously dimensioned and so encompassing in scope not only has widespread usefulness in many contexts but, through vagueness, maintains a kind of featherbed resilience against attack and, hence, a marked invulnerability to criticism." Nevertheless, she takes it apart effortlessly. A beautiful must read.
