Company's Shares: A Summary of tax and related commercial considerations for buyers and sellers - Seventeenth Edition:

This user-friendly book ties together legislation, rules, regulations, and extra-statutory material that tax advisers need to be aware of when purchasing and selling shares in private companies in the UK. Practical and accessible, it provides tax planning solutions that are sound from a UK commercial and tax perspective, but also strike a happy medium between the buyer's and seller's expectations. Now fully updated, it remains the benchmark publication for tax professionals advising clients on this highly complex subject.
