Stephen Woodhouse, Sandra Eden, Stuart Lippiatt : Taxation of Pension Schemes: Tax and Revenue Law Insurance and Pensions Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Taxation of Pension Schemes: Tax and Revenue Law Insurance and Pensions Law:

This book provides guidance through the maze of different tax regimes affecting pension schemes, whether approved or unapproved, and whether established within or outside the UK. No other book currently available covers pensions from a taxation perspective in the same amount of depth, it brings together in one source information from a wide range of jurisdictions. Completely practical throughout, it is a welcome addition to the working library of all those involved with pension scheme taxation.* Up-to-date information providing you with a thorough grounding in the subject* Useful comparison of pensions with other investment media* Includes a section tracing the history and development of pension provision and taxation through the Finance Acts
