**Albert K. Fiadjoe, Gilbert Kodilinye and Joyce Cole Georges : Telford Georges: A Legal Odyssey** before purchasing it in order to gage whether or not it would be worth my time, and all praised Telford Georges: A Legal Odyssey:

This book begins by tracing the life story of Telford Georges from the childhood years in Dominica, through the years

of practice in Trinidad, followed by the Tanzania and Zimbabwe years, and culminating in The Bahamas period. Transcribed conversations with Telford are included, in which he gives the reader many fascinating insights into the judicial thought processes, and expresses his views on a number of controversial issues.
