**Harold M Fleming : Ten thousand commandments;; A story of the antitrust laws** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ten thousand commandments;; A story of the antitrust laws:

3 of 3 people found the following review helpful. antitrust, irrational lawBy Peter NamtvedtVery compact, full of information, well written, clearly shows Antitrust to be the most vile, evil, irrational and non-objective of laws. Slightly dated.
