Rongxing Guo : Territorial Disputes and Resource Management: A Global Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Territorial Disputes and Resource Management: A Global Handbook:

Territorial disputes refer to disputes over territories that are claimed by two or more independent countries. The disputes may evolve from historical and/or cultural claims, or they may be brought on by competition of resource exploitation. This book sets out to present a guide to resource management in disputed areas throughout the world.
