**Jeffrey F Addicott : Terrorism Law, Seventh Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Terrorism Law, Seventh Edition:

This seventh edition of Terrorism Law has been updated to include some of our nation s biggest changes in fighting the War on Terror, including mention of the Boston Marathon bombing and a new section on rules of engagement. This book highlights some of the legal and policy challenges that confront the United States, and emphasizes the importance of developing capable military forces while promoting democracy as the long-term solution to terrorism. It includes chapters on the Iraq war, Supreme Court decisions on detainees, interrogation techniques of the United States military, civil liberties and human rights, civil litigation and the War on Terror, cyber terrorism, and bioterrorism. This new seventh edition is designed to be used as a reference and text in this emerging area of law. It includes many appendices containing important American and international documents pertaining to the War on Terror as well as

discussion questions, citations of legal cases pertaining to terrorism, and bibliographic information for further reference.

From the Inside Flap This seventh edition of *Terrorism Law* has been updated to include some of our nation's biggest changes in fighting the War on Terror, including mention of the Boston Marathon bombing and a new section on rules of engagement. This book highlights some of the legal and policy challenges that confront the United States, and emphasizes the importance of developing capable military forces while promoting democracy as the long-term solution to terrorism. It includes chapters on the Iraq war, Supreme Court decisions on detainees, interrogation techniques of the United States military, civil liberties and human rights, civil litigation and the War on Terror, cyber terrorism, and bioterrorism. This new seventh edition is designed to be used as a reference and text in this emerging area of law. It includes many appendices containing important American and international documents pertaining to the War on Terror as well as discussion questions, citations of legal cases pertaining to terrorism, and bibliographic information for further reference.

About the Author Jeffrey F. Addicott is a Distinguished Professor of Law and the Director of the Center for Terrorism Law at St. Mary's University School of Law in San Antonio, Texas, where he teaches a variety of courses to include National Security Law and Terrorism Law. An active duty Army officer in the Judge Advocate General's Corps for twenty years (he retired in 2000 at the rank of Lieutenant Colonel), Professor Addicott spent a quarter of his career as the senior legal advisor to the United States Army's Special Forces. An internationally recognized authority in terrorism law, Professor Addicott not only lectures and participates in professional and academic organizations both in the United States and overseas, he is a frequent contributor to national and international media outlets.
