**Thomson West : Texas Penal Code, 2012 ed. (West's Texas Statutes and Codes)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Texas Penal Code, 2012 ed. (West's Texas Statutes and Codes):

1 of 2 people found the following review helpful. What can you say about a penal code really? By Ancel I suppose I enjoy the Texas Penal Code to the degree that I find it in conformity with my own moral convictions. Which surprisingly is more often than not, as we're a less punitive state than you would believe in a lot of ways. Really my biggest problem has been with West having problems getting the latest version out in time for my latest quarter. I found Tex Pen. Code 19 particularly moving.

This title contains the full text of the Texas Penal Code; chapter 411 of the Government Code, relating to concealed handgun licenses; chapters 481-485 of the Health and Safety Code, relating to controlled substances and drugs; and chapters 704, 705, 724, and 729 of the Transportation Code, relating to motor vehicle and traffic offenses. Statutes

incorporate all amendments through the 2011 Regular and First Called Sessions of the 82nd Legislature. The book also includes a table showing unrepealed articles of the Penal Code of 1925, as prepared by the Texas Legislative Council.
