Say Goo : Text Cases Materials Land Law 4/e (Cavendish Sourcebook Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Text Cases Materials Land Law 4/e (Cavendish Sourcebook Series):

Text, Cases Materials Land Law builds on the success of Sourcebook on Land Law, and the new edition provides a comprehensive selection of materials supplemented by helpful and insightful commentary. The text continues explaining the fundamental principles of land law with a practical approach. It includes selected extracts from a wide range of sources, to help students to see the bigger picture. This edition has been fully updated to include recent case law developments and statute law.

About the AuthorSay H Goo, LLB, LLM, Associate Professor in Law at the University of Hong Kong, formerly Lecturer in Law at the University of Exeter.
