From American Bar Association : The Advisor's Guide to Long-Term Care before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Advisor's Guide to Long-Term Care:

With statistics that point to the probability that people are likely to need extended health care during their life, this manual helps estate planners, advisors, and individuals address these essential life decisions. The authors consider all relevant aspects of long-term care insurance, explaining how to best use it as a prudent risk-management choice. All relevant aspects are covered, including funding and self-funding options; governmental programs; recent; taxation;

wealth preservation; and options for the employer in establishing coverage for employees.

About the Author R. David Watros is Vice President of M Corporate Benefits, a division of M Financial Group in Portland, Oregon. Erik T. Reynolds is Manager, Corporate Benefits, at M Financial Group's Corporate Benefits division in Portland, Oregon.
