(author) Jeffrey G. Williamson (author) Timothy J. Hatton : The Age of Mass Migration: Causes and Economic Impact (Hardback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised The Age of Mass Migration: Causes and Economic Impact (Hardback) - Common:

Providing a comprehensive view of mass migration, this book offers a thorough treatment of a period of vital development in the economic history of the modern world. It is useful to students of migration, historical or contemporary, and also to those interested in international economic activities.
