**William G. Arnold : The Appropriations Law Answer Book: A QA Guide to Fiscal Law** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Appropriations Law Answer Book: A QA Guide to Fiscal Law:

2011, 8 1/2 x 11 hardcover, 282 pages, ISBN 978-1-56726-325-1, Product Code B251 By: Darrell J. Oyer, CPA The essential reference to help federal contractors negotiate and maintain profitable contracts Now in its third edition! This is the essential reference to help federal contractors negotiate and maintain profitable contracts and remain in compliance throughout the life of the contract. Government contracting rules and regulations have changed significantly over the past six years. No other single book provides as much up-to-date federal procurement cost and pricing information in such a concise - yet comprehensive - format. Contents: Federal Government Procurement Methods Types of Government Contracts Accounting System Requirements Cost Allowability Principles Selected Costs Cost Accounting Standards Developing Cost Estimates for Proposals Contract Price Negotiation and Profit Guidelines Truth in Negotiations Contract Administration Government Contract Audits

About the Author Darrell J. Oyer, CPA, is president of Darrell J. Oyer Co., a consulting firm that provides accounting services and training to government contractors and federal government employees. He is highly experienced in developing and reviewing contractor estimating systems, cost accounting structures, and cost control systems to ensure

compliance with federal procurement requirements. Prior to forming his own firm in 1991, Mr. Oyer was a partner in the Deloitte Touche government contracts advisory practice. Previously, he worked for the Defense Contract Audit Agency and the U.S. Air Force Auditor General's office.
