Okeoghene Odudu : The Boundaries of EC Competition Law: The Scope of Article 81 (Oxford Studies in European Law) before purchasing it in order to gage whether or not it would be worth my time, and all praised The

Boundaries of EC Competition Law: The Scope of Article 81 (Oxford Studies in European Law):

This monograph addresses the problems surrounding the interpretation and application of Article 81 of the EC Treaty, and how it affects the regulation and limits of EC competition law.

This volume presents an articulate and well-argued thesis on the scope of Article 81 EC. * World Competition * Mr Odudu has written an interesting book..it is well written, provocative, and presents a blueprint for the further development of European Community competition law. * The Antitrust Bulletin *About the Author Okeoghene Odudu is a Lecturer in Competition law at King's College London, where he teaches US Antitrust, EC State Aid and State Regulation Law, EC and UK Competition Law, and EU Law. Odudu read law as an undergraduate at Sidney Sussex College, Cambridge, and received an MA in Criminology from Keele University. He was a graduate student at Keble College, Oxford, where he completed a DPhil. He was awarded a Kennedy Scholarship and spent a year at Harvard conducting research in US antitrust. After being awarded a DPhil in law from Oxford University Odudu was elected Fellow in law at Downing College, Cambridge where he taught EU and Administrative law.
