From Brand: BiblioGov : The Constitution Of The United States Of America Analysis And Interpretation before purchasing it in order to gage whether or not it would be worth my time, and all praised The Constitution Of The United States Of America Analysis And Interpretation:

1 of 1 people found the following review helpful. Only the 2006 SupplementBy KyleThis is not the full "Analysis and Interpretation" as provided to all elected and past senators, congressmen, and vice presidents, delegates, and resident commissioners. Instead, this is only the 2006 SUPPLEMENT, which provided only ANALYSIS OF CASES DECIDED BY THE SUPREMECOURT OF THE UNITED STATES TO JUNE 29, 2006. It does not actually include any "analysis and interpretation" but only cases from what looks like only the 2000s up to 2006. Some footnotes go back much further though, to the early 1900s and even into the 1800s, but still not what I was expecting.I was hoping

to get the entire publication, other websites say it might be as much as \$200, which made this look like such a good deal, but now I know why. I gave this 2 stars instead of 1 because it sort of is helpful, if the 2006 supplement is all you want. Still I wish it was put in the title.-Kyle0 of 0 people found the following review helpful. Five StarsBy E T RadiusUnderstanding the Constitution of the United States of American.

The BiblioGov Project is an effort to expand awareness of the public documents and records of the U.S. Government via print publications. In broadening the public understanding of government and its work, an enlightened democracy can grow and prosper. Ranging from historic Congressional Bills to the most recent Budget of the United States Government, the BiblioGov Project spans a wealth of government information. These works are now made available through an environmentally friendly, print-on-demand basis, using only what is necessary to meet the required demands of an interested public. We invite you to learn of the records of the U.S. Government, heightening the knowledge and debate that can lead from such publications.
