Miguel Garcia Garcia-Revilla : The Contentious and Advisory Jurisdiction of the International Tribunal for the Law of the Sea before purchasing it in order to gage whether or not it would be worth my time, and all praised The Contentious and Advisory Jurisdiction of the International Tribunal for the Law of the Sea:

In *The Contentious and Advisory Jurisdiction of the International Tribunal for the Law of the Sea*, Miguel Garcia Garcia-Revilla offers an in-depth examination of all relevant facets of the jurisdiction of this important international judicial institution. Created by the United Nations Convention on the Law of the Sea, ITLOS plays an essential role not only in respect to the interpretation of this major international treaty but also to the contemporary law of the sea in general. The book covers both the contentious (*ratione materiae*, *ratione personae*, mainline, incidental, compulsory, not compulsory) and the advisory jurisdiction of ITLOS, which are analysed not only from a theoretical perspective but also in light of the own Tribunal's jurisprudence.

About the Author Miguel Garcia Garcia-Revilla, Ph.D. (2004) University of Cordoba, is a Senior Lecturer of Public International Law at that university. Author of a monograph and numerous papers on ITLOS, he currently Co-Chairs the Law of the Sea Interest Group of ESIL.
