**Honor de Balzac : The Deputy of Arcis (Webster's Spanish Thesaurus Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Deputy of Arcis (Webster's Spanish Thesaurus Edition):

Webster's edition of this classic is organized to expose the reader to a maximum number of synonyms and antonyms for difficult and often ambiguous English words that are encountered in other works of literature, conversation, or academic examinations. Extremely rare or idiosyncratic words and expressions are given lower priority in the notes compared to words which are difficult, and often encountered in examinations. Rather than supply a single synonym, many are provided for a variety of meanings, allowing readers to better grasp the ambiguity of the English language, and avoid using the notes as a pure crutch. Having the reader decipher a word's meaning within context serves to

improve vocabulary retention and understanding. Each page covers words not already highlighted on previous pages. If a difficult word is not noted on a page, chances are that it has been highlighted on a previous page. A more complete thesaurus is supplied at the end of the book; synonyms and antonyms are extracted from Webster's Online Dictionary. PSAT is a registered trademark of the College Entrance Examination Board and the National Merit Scholarship Corporation neither of which sponsors or endorses this book; SAT is a registered trademark of the College Board which neither sponsors nor endorses this book; GRE, AP and Advanced Placement are registered trademarks of the Educational Testing Service which neither sponsors nor endorses this book, GMAT is a registered trademark of the Graduate Management Admissions Council which is neither affiliated with this book nor endorses this book, LSAT is a registered trademark of the Law School Admissions Council which neither sponsors nor endorses this product.
